FOR IMMEDIATE RELEASE
3/13/17

This is an important service announcement from the Plainfield Municipal Utilities Authority.

Please note, despite forecasted snow ahead, **regular garbage collections for zones 1, 2, 5, 7 & 8 are still scheduled for Tuesday, March 14th.** Carts should be rolled out for pick-up as normal. **Collection will begin at 12 midnight.**

In the event inclement weather prohibits us from completing collections on standard schedule, please leave your carts at the curb for pick-up at our next available opportunity, once roads are deemed safe for the operation.

To help facilitate a safe and efficient collection process, property owners and residents are asked to always make sure there is a clear path leading to their carts and dumpsters. **Containers should be easily accessible and not obstructed by ice, snow or other debris.**

All **bulk pick-ups are suspended for Tuesday, March 14,** and customers will be contacted to reschedule appointments.

PMUA's March Board meeting has also been postponed to Thursday, March 16, 6 p.m. at the PMUA Headquarters building.
